Roof Supply Guy LLC, Company/Product Line Card

(Not Available at the DSC)

All American Made Manufacturers!

American WeatherStar Fluid Applied Roof Coatings

- Restoration Solutions for all roofs (except shingles)
- Affordable, long-lasting and warranties available
- Residential & Commercial buildings
- 22 years of manufacturing excellence, hundreds of combined years of roofing
- ***All we do is coatings, sealants and restoration tools!***

Flex Membrane International Corporation

- Pioneered the manufacturing of modified PVC single ply roofing membranes incorporating DuPont™ Elvaloy®
- Unique plasticizer, keeps the material indefinitely flexible, while making it highly resistant to environmental and temperature extremes
- Membrane solutions for PVC, KEE PVE and TPO, ideal for architects

Flashco Accessories (Flex Systems and Discretionary products)

- Established in 2000, Sonora CA, now 9 US locations
- The largest independent manufacturer of roof flashings and accessories
- Factory-made prefabricated and pre-molded single-ply accessories
- We manufacture standard and custom flashings and accessories

G.A.P. Roofing

- 3rd Generation Family business established in 1990, based in Pryor, OK (just outside of Tulsa, OK)
- Manufacturers of many asphaltic based roofing products
- The latest SBS modified bitumen self-adhered underlayments
- Long history of saturated felt products and base sheets

G.M.C. Roofing and Building Papers

- 3rd Generation Family business, based in Shafter, CA (near the Bakersfield area)
- Manufacturers of many asphaltic based roofing products
- Trusted supplier of building-grade papers, **especially stucco papers**
- Long history of saturated felt products and base sheets
